**FREQUENTLY REQUESTED INFORMATION RELEVANT TO ALL VENDORS ESTIMATED VISITORS**

Our inaugural event was in 2018 and we estimated about 8000 people attended the event. In 2019, 18,000 people attended over the 2-day event. With Covid square metre restrictions we have capacity for 8500 people each day, however depending on the restrictions in August, the attendance may exceed 20,000 over the 2-day event. The decision to ticket the event allows us to maintain an accurate number of attendees.

In the BaconFest Food Market there will be roughly 40 food vendors. This estimate is provided to allow you to calculate the supplies you will require.

**WHAT EQUIPMENT SHOULD I BRING?**

Everything!

Your site fee includes your land space (e.g., 3x3 or 3x6) only.

Power is available to those who complete the application and pay a fee.

Potable town water is available for your use during the festival, however, please be aware, some people do not enjoy the taste of Kingaroy town water. The water is safe for

food handling operations including washing up, hand washing and cooking. If you require drinking water, you may wish to purchase bottled water.

All sites will need to provide their own shelter (i.e., tent / caravan). There are no permanent shade structures available on site (i.e., shed /building).

Please ensure you are organised and have everything you require, there are no guarantees that we will be able to assist you with last minute requests on the festival day.

## **SITE ALLOCATION AND SITE MAP**

The allocation of market stalls is up to the discretion of Kingaroy BaconFest Inc. All vendors must confine their displays and equipment within the boundaries of their allocated site. If your display is greater than what you have specified, organisers may relocate you to a less desirable location, so please be accurate in your application. You will be informed of your site upon arrival, at the festival.

## **CONTACTS**

During BaconFest there will be three main ways to contact the BaconFest Committee.

### **EMERGENCIES**

If you see or experience a situation where people's lives are in immediate danger e.g., fire or violence, please phone 000.

If the issue is not life threatening or dangerous, but still needs urgent attention e.g., burst water pipe, trip hazard or power outage, please contact the Bacon Phone (0483 142 208) or speak to the nearest BaconFest Volunteer. They will be distinguishable by their high-vis vests.

## **EVACUATION PROCEDURES**

Announcements will be made by the Kingaroy BaconFest MC. Please follow the advice of police and other emergency workers. There are 3 Evacuation Points for the main festival – Next to the Commercial Hotel on Haly Street, in the carpark of the Uniting Church on Alford Street and outside Prices Plus on Alford Street. Bacon Community Artisan markets will be down King Street.

## **MENUS**

We aim to protect the sales of all food and beverage vendors by reducing competition for the same food items. Therefore, once menus have been finalised, vendors are not permitted to sell items that are not listed in their application without prior written approval from Kingaroy BaconFest Inc. ***Vendors are also encouraged to consider portion sizes***, we want our punters to enjoy a variety of bacon goodness during their time at Kingaroy BaconFest. Large or excessive portion sizes should be marketed as share plates.

## **PORK PRODUCTS FOR SALE**

All pork related products sold (both fresh and processed) must be sourced from **100% Australian pork**. There is to be no imported pork products sold during the event. If there is cause to think that the food vendor is selling imported products, organisers may request to see packaging, receipts, or proof that 100% Australian pork related products are being used.

## **RUBBISH & WASTE**

All stallholders are responsible for their own rubbish and waste removal. BaconFest will supply sites for recycling, general waste (including food and oil by products) and water waste. Please ensure you use the correct bins.

## **POWER & ELECTRICAL EQUIPMENT**

Power can be supplied at an additional fee. This includes overnight use (if applicable). You **MUST** state if you want power in your application. Power will not be available to those who have not requested and paid for power.

Self-sufficiency (via inverter generators) is highly recommended as BaconFest power supply is very limited.

Vendors must supply ALL power leads and power boards, suitable for outdoor use, needed to operate their site. Any leads, fittings and associated objects forming part of the power supply for any site shall be positioned so as not to create a nuisance or potential danger to the health or wellbeing of the public or any other persons. Leads should not be positioned over walkways or thoroughfares unless suitably covered or elevated. Please bring cables covers to BaconFest.

All electrical cables must be tagged by a *certified electrician* as being in a safe working order and clearly show the test date, otherwise they will not be permitted for use. This will be checked at BaconFest, and untagged equipment will not be allowed. No double adaptors will be permitted for use. Power boards are acceptable. Single leads must be used from appliances to power outlets. The use of private generators on festival day is encouraged, however they must be quiet i.e., inverter generators.

If you are requesting power access, ALL powered equipment needs to be listed on the Electrical Equipment Declaration Form. This will help us plan the site. This form needs to be uploaded with your on-line application.

Vendors who are found to have been dishonest with power usage requirements may be asked to leave. Please ensure that ALL equipment requiring power is listed in your application.

## **WATER**

Potable (drinkable) town water is accessible free of charge via taps at the festival; it is suitable for consumption, hand washing and washing up. Please be aware, some people do not enjoy the taste of Kingaroy Town water. Fresh rainwater is NOT to be used at your site.

Cancellation of the event is subject to the discretion of the Kingaroy BaconFest Committee. Notification of event cancellation will be made on our Facebook page as a first priority. If the Kingaroy BaconFest is cancelled due to inclement weather, the event will not be postponed, it will be cancelled until the following year.
